

## What Color is Your Personality?

### Red (Driver) Personality Traits

Task and result-oriented. Likes recognition, likes to be on the move, doesn't like to be late, enjoys individual sports/activities (golf, tennis, track, piano, individual dance, etc.) Likes expensive or showy things. Generally honest, but their moral compass might deviate during a competitive showdown.

Red personality types tend to be good leaders. They love leadership roles and enjoy "managing" people (sometimes perceived as bossy or having big egos). In the classroom setting, their hands will fly up when they know the answer. Generally, 1 out of 5 students will be red. They like to be "leader of the pack."

**Car of Choice:** Something flashy and expensive

**If they had to put a swing set together:** They would pay someone to do it for them.

### Yellow (Expressive) Personality Traits

People-oriented. Friendly and expressive. Loves to talk, extravagant, optimistic, and enjoys team sports and activities (volleyball, baseball, football, basketball, drill team, cheer team, dance teams, choir, etc.).

Yellow personalities are the glue that hold groups together. They are generally outgoing and fun-loving. They are the classroom talkers. Yellows are usually the principle color in most groups. They like to run in packs.

**Car of Choice:** One that's big enough to hold their friends

**If they had to put a swing set together:** Would invite their friends over to build and have a barbeque.

## Green (Analytical) Personality Traits

Detailed-oriented, precise, controlled, likes to do things right the first time, likes to complete jobs, and tends to be thrifty.

Green personality types like order. They generally have neat backpacks and organized notebooks. They are often perceived as “neat freaks.” They make wonderful Ambassadors, mentors, or leaders for groups. They will keep your group organized. Generally speaking, 1 out over every 7 students will be green. They like to keep the pack on the right path.

**Car of Choice:** Hybrid vehicle or practical, efficient car

**If they had to put a swing set together:** Would pull out the directions, carefully count and arrange the parts, then systematically build the swing set<sup>4</sup>

## Blue (Amiable) Personality Traits

Imaginative-oriented, freethinking, creative, loyal, caring, perceptive, understanding, open minded, enjoys nature, and many like the arts.

Blue personality types often are perceived as quiet, sometimes shy individuals. Often they may be loners or have one or two other “blue” friends. They are very innovative, share their ideas. Generally 1 out of every 8 or 9 people will be blue. Blues usually don’t run with the pack.

**Car of Choice:** Jeep, recreational vehicle, concept cars, unusual cars.

**If they had to put a swing set together:** They would throw-out the instructions because they’ve created a better way of doing it or they would go ahead and design their own swing set.
